The Wish Tree Charity

14th September 2020

Re: **Donation**

I would like to thank The Wish Tree Charity for your most generous donation of £1300 which is hugely appreciated.

We have, like many other schools and businesses, incurred a substantial impact on our budget directly linked to COVID-19. Your donation will help offset some of these unexpected expenses so that we can use our planned budget to support our childrens learning.

Your donation has helped to cover the costs of hand sanitiser stations, lidded bins, external letter box, face masks, face shields, additional cleaning equipment, web cams and the list goes on. I have enclosed some photographs of purchased items.

Thank you once again for your generosity and support,

Yours sincerely

Ms S Jones
Headteacher
